Ask an MCH brochure purchase form

Take advantage of the work done by MNLA and the MCH Board to educate customers about the professionalism our organization brings to Massachusetts consumers. For several years, the MCH community specifically asked for a brochure to explain why it makes sense for consumers to work with a certified professional. We've responded with a trifold hand-out—Ask an MCH brochure.

The **Let's Get Noticed Challenge** is an opportunity for you to make a difference by including the brochures in your business proposals, as a hand-out to potential clients, or in a display at the Garden Center.

Please note: your payment must be included with this completed order form. All orders must be paid in advance, please allow 1 week for shipping.
